INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

#21360.

Alex Gambill being first duly sworn deposes and says:

My name is Alex Gambill, and I am 29 years old and I live in Craighead County, Ark. I claim my Indian blood through my father, John Gambill, who died when I was about 7 years old, who was 1/2 Cherokee Indian. My mother has always told me that my father was a Cherokee Indian. She is sick or she would have been here to day. My grandfather on my father's side was Aron Gambill. He must have been a full blood Cherokee Indian. My grandfather died in Bedford County, Tenn. I think he lived there all of his life. He was a very old man at the time of his death. I have been accused of being an Indian all of my life. They made sport of me calling me the "little India" as I was growing up. I have an own uncle, Bradley Gambill, now living in Dyersburg, Tenn. a very old man, who knows all about our Indian ancestors.

C.C. Stephens, after being sworn to testify as follows:

State your age, and residence.

A. I am 68 years old, and reside on Camp Island, Craighead County, Ark.

Q. Are you acquainted with Alex Campbell, 12th how long and intimately have you known him?

A. Yes, sir, I am, and have known ^{him} ever since birth.

Q. You are acquainted with his father, were you?

A. Yes, sir, ever since 1836, and know him from then till he died.

Q. What nation, or nations, were he? State fully all you know about the parentage of Alex Campbell.

A. His father, John Campbell was an Indian, or half breed from his appearance and then he ~~has~~ told me what he was an Indian. I do not know what tribe he claimed to be of. I suppose from the fact that he was right by his Grandfather, and I do not know what he was called as an Indian. He was raised in Tennessee, made a part, and right up by his Grandfather.

My name is Solomon E. Blair, and I live at Iredell, Tex. I am 61 years old. I claim Cherokee Indian descent through my mother Sarah Hewett. I was born in Tex. I have several brothers and sisters born in Ark. before my parents came to Tex. I do not know just where my mother Sarah Hewett was born. My mother was about 68 or 69 when she died. I think my mother was about 1/4 Cherokee. My mother got her blood from her mother, I do not remember grandmother's name, but I saw her as a child. She died in Tex. I do not think grandmother claimed any Indian rights in her time. Neither did my mother Sarah Hewitt. I have heard my mother say many a time to us children, "You are all 1/8 Cherokee". And she herself was generally recognized in the community in which she lived as having Indian blood. I have a brother, John H. Blair, who now lives in Anson, Tex. He is older than I am and may know more than I do. None of my brothers knew anything about this fund, and I myself did not know about it in any too much time. Texas W. Fine Blair, who is now here, is my brother, and he no doubt has heard my mother claim her Indian blood as I have stated.

My name is John W. Latta. I live at Tahlequah, Okla. I have not been enrolled by the Dawes Commission. I was born in Montgomery Co., Ark. I claim my relationship to the Cherokee Indians through my father, James W. Latta. He was born, I think, in Cherokee Co. Ga. He ~~was born in~~ died in 1897 ~~something~~, and he was about 50 years old when he died. He lived with the Indians in Ga. He was a recognized member of the tribe when he lived there. He moved from Ga. with his father when he was a small boy. The whole generation came with him. I don't know of any other name than Latta. His father's name was John Latta. When they left Ga. they moved to Arkansas. ~~My father~~ I could not say whether my father was ever enrolled. He never received any money or land from the Govt. on account of his Indian blood. I made application for an allotment, but I did not get it. It fell through, but I don't know why it did. My father left Ark. and came to Okla. in 1891. I don't know whether my grandfather was ever enrolled or not. He moved out here also. I do not make any claim through my mother, she is a white woman.

Nathaniel P. Scruggs being first duly sworn, deposes and says:

That I am 49 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman. My wife is a white woman. My father's name was Henry J. Scruggs. My father was in his 78th years when he died and I think he died in 1900. He was born in Union Co., Ga. He moved to Tenn. shortly before I was born. He lived in N. C. (Sherokee Co.) a short time; that was before he went to Tenn. He lived with the Indians but I don't know whether he lived with them as a member of the tribe or not. He claimed the Indian blood through his mother. Don't know where she was born. She died in her early days but I don't know just when. None of us that I know of were ever on any Indian roll and we never received anything from the government by reason of our Indian blood. I am recognized as an Indian in the community. My father was 1/4 Cherokee. I have a nephew named Red Cloud Scruggs but he goes by the name of Red Cloud and he has an allotment in Cherokee Nation, close to Mina, Kans. He is the child of Sam Scruggs, my father's brother. Sam Scruggs married a Cherokee. Bill, Jim and John were brothers of my father. Polly (married Bill Anderson) was a sister of my father.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. 6 1908
No.

No. 21413-21397.

Alexander H. Blackwell, being first duly sworn,
deposes and says:

My name is Alexander H. Blackwell and I reside at Kansas, Walker Co., Ala. I am seventy-four years of age. I am not related to the Faughts, for whom I am appearing as a witness, and have no claim. I have known James A. Faught all my life and he was raised within about four miles of where I was raised. I remember James A. Faught's mother very well, and it was often talked of in the neighborhood at that time that they were considerable Indian. I do not know what tribe of Indians, but I remember one old man at that time saying that they were Cherokee Indians. His mother resembled an Indian. I was acquainted with Indians and I could easily distinguish them. James A. Faught's mother, Elizabeth Brown, lived and died at the place where Mr. Faught now lives. I remember his uncles, namely, Russell Brown, Hugh Brown, John Brown and Ephriam Brown. I do not remember having seen Alexander Brown, but the boys talked of him. The boys at that time were about eighteen or twenty years old and boarded at my father's house. These boys some of them went West and some in the Civil War. I often hear from Hugh and Ephriam Brown from Texas. These boys all had the characteristics of an Indian, long, straight black hair, etc. I know of no enrollment of this family as Indians, and I know nothing of them ever having received any money. I do not know of any Indians camping around this country. The only time that I remember of the Indians camping was in 1836 when I was a boy in Mississippi and the Government were making the Indians go West, and I was told that these were Cherokee Indians.

Samuel William Faught, being first duly sworn,
deposes and says:

My name is Samuel William Faught and I reside at Carbon Hill, Ala. I am a son of James Anderson Faught and have filed application. In the application it has the name of my wife, Docia Elvira Faught, which should be stricken out and my name only be retained on the application, as my wife makes no claim. All I can add to the testimony already given in this case is a conversation I had some fifteen years ago with an old lady named Mary Ann Cunningham, who was seventy-four years of age. She told me that I should make application for citizenship and the money which was to be given to the Cherokee Indians, as I had a perfect right to it and had the Cherokee Indian blood. She told me that I need not be ashamed of it, that I had the Cherokee Indian blood and should be proud of it, and that she knew I had Cherokee Indian blood. She said that she knew my grandmother, Elizabeth Brown, and remembered my great-grandmother, Hannah Rice. She told me that she knew that my grandmother had Cherokee Indian blood and was a descendant from the Cherokee Indians. I did not say anything more to her about it and let the matter drop. I then went home and asked my father, James Anderson Faught, and he told me that it was true.

No. 21413-21397.

James A. Faught, being first duly sworn, deposes and says:

My name is James A. Faught and I reside at Nauvoo, Ala. I was born in 1837 in what was known at that time as Walker Co., which part has been taken in as Cullman County. I claim relationship to the Cherokee Indians through my mother, Elizabeth Faught, whose maiden name was Elizabeth Brown, and who was one-fourth Cherokee Indian. My father, Samuel W. Faught, had some Indian blood in him, but I can not tell how much as he died when I was four years of age. Our family has always been recognized as white people with part Indian blood. Elizabeth Brown, my mother, claims Indian blood through her father, John A. Brown, who was a half-blood Cherokee Indian. My grandfather, John A. Brown, claims his Indian blood through his mother, whose name was Dolly Dean, and my uncle informed me that she was a full-blood Cherokee Indian. I have resided in Walker Co., Ala., in the same place that I am living now, ever since I was three years of age. My mother was, to the best of my knowledge, born in the middle part of Tennessee, about the year 1810. Prior to my birth my people lived on Dismal Creek, right on the border of Walker Co., La., and which part I think is now called Cullman County. I know of no enrollment of my people as Indians, and I never know of my people ever having received any money or allotments from the Government. My mother had two brothers, John Brown and Alexander Brown, who went to Texas about 1840. I have three sons who now reside in Indian Territory, John David Faught, Hugh Thomas Faught, and Rutherford Hayes Faught. They have been in that section about six years. I do not know of any Indians visiting our home, as I was too small, but my mother always told me that she was recognized by the tribe. My father - I - I remember telling me that the legacy I had from the Government at Washington was as good as gold and that I was lucky. I remember Alexander Brown, my mother's brother, coming to our house and making a crop for my mother. This was before he went to Texas. Alexander Brown had all the characteristics of an Indian. My mother had several sisters, namely, Annie Brown, "Edie" Brown, Nancy Brown, Sarah Brown, and Dorothy Brown. All of these sisters stayed East until death, except Annie who went West and "Edie" who was lost trace of during the war. My mother, Elizabeth Brown, was oldest of all. My aunts all had children and they live in that part of the country.

Dear Sir,

In receipt of your letter
of the 23rd which I do not know when
my mother or my Grand father mailed
in 1884-85 but their native State was
North Carolina. They afterwards moved to
Tenn. and at the time of my Grand father's
death he was Agent for the Cherokee Indians
in the Cherokee nation. That has been a
long time ago. I was born and raised
in Tex. I was five years old when my
mother died. Col. Cornelius Boudinot was
serving to establish my claim at the
time of his death, and all the knowledge
I have ever had of my mother or my
Indian blood came through him. he was

Almeda Rankin being first duly sworn deposes and says:

My name is Almeda Rankin, and I live at Chickasha, Okla. I am 35 years old. I claim my Indian descent through my mother Emeline Russell, who died in 1880, aged about 45. She was born in N.C. or S.C. I am not sure which. She came west the year the Indians were moved west, having first moved to Tenn. for several years. My mother got her Indian blood through her father Woody Russell. I do not know much about him, but I think he died in the Territory. He was an agent for the Indians in their removal west. I think he was 1/8 Cherokee. I tried in 1896 I tried to establish my claim for lands and money in the Indian Territory. But I was not allowed. Until the death of my father I think my mother was closely associated with the Indians. She drew money from the government. I am told that she drew money in 1852. I get all my information about my family from Cornelious Boudinot, an Indian lawyer, who knew my mother in her lifetime. He is dead now, but he has a brother, Frank Boudinot, who is near Vinita, Okla. I myself knew practically nothing about my family. I have brothers and sisters, but they did not seem to care to apply.

Andrew J. Wise being first duly sworn deposes and says:

My name is Andrew J. Wise, and I 57 years old. I claim my Indian blood through both my father and mother. My father was named Jonathan Wise, and was born in ~~Swain~~ Cock County, Tenn. He was about 70 years old at the time of his death. He claimed to be a full blood Cherokee Indian. He never received any money from the Government on account of his Indian blood. My grandfather on my father's side was Peter Wise, and my grandmother was Elizabeth Wise. Grandfather and grandmother lived right east of Knoxville all their lives and died before I was born. My grandfather, known as Indian John, and lived and practised medicine (an herb doctor) among the Indians. My nephews here with me all show their Indian blood strongly and they are recognized in the community in which they live as Indians. I, myself have been an Indian preacher for 30 years. My mother's name was Elizabeth Wise, and she was 85 years old at the time of her death. She died in Lake County, Tenn. She was born in the vicinity of Knoxville, Tenn. Grandfather Jones on my mother's side was sent west with the Indians when they were driven out there. He married an Indian girl, which was my grandmother, Betsy Wise, out in the West. Then they came back to East Tenn. and raised a family there, where my mother was born. Dr. Jones was a Dutchman.

My name is Mollie Slate. I live at Center Grove, Ala.
I was born in 1854 in Morgan Co. Ala. I claim through my
father and his mother. My father was about 84 when he died.
He has been dead about three years. He was born in Limestone
Co., Ala. My grandmother's name was Bettie Taulton. I don't
know what part of the county she came from. I have always
been taught that my grandmother was an Indian. Cherokee or
Chickasaw one. Cherokee, I think. My father and my grand-
mother always lived with the white people. I never heard of
them living with any Indian tribe. My father and grandmother
never got any money or land from the Government on account of
having Indian blood. I never heard of my father or grandmother
being enrolled with any tribe of Indians. I don't recollect
any Indian name of my grandmother.

That I am 32 years of age. I claim my Indian descent through my father and his father. My mother was a white woman. My husband is a white man. My grandfather's name was Meadows - don't know his first name. My father was born and raised in Bedford Co., Tenn. He is still living but I have not heard of him in five years. He was in Oklahoma the last time I heard of him. Don't know whether he has made application or not. He is along up in the seventies. He lived in Bedford Co., Tenn. until we came to Texas and I was small at that time. Don't know whether my father ever lived with the Indians as a member of the tribe. Don't know how he was recognized in the community. Everybody knows that I have Indian blood. I am considered as white with some Indian blood. Don't know whether my father or any of my ancestors were ever on any rolls. Never heard that any of them ever received any money or land from the government. I never made application to the Dawes Commission for enrollment. I never know my father to have any other name than that of Meadows. My father had a sister named Elizabeth who married a Hare. She was in Bedford Co., Tenn. in 1851. I haven't seen her for fifteen years. She was in Greer Co., Okla. the last I heard of her. I think she must be about 45 years of age, as she is the youngest child of the family. He had no sisters named Mary or Sarah.

My name is Jessie Duboise, and I live at Duke, Okla. I am 53 years old. I claim my Indian blood through my father, Wm Hill. My father died in Miss. I do not know whether he was born in Ala. or Miss. He came down to Miss. just before my mother and he were married. I am sure he came from Ala. He was married in 1854. My father got his Indian blood through his mother, Francis Bealdon. She died in Tex. in 1878 or 1879. She was there on a visit, from Miss. and had been there about 6 months. I think she claimed to be 1/4 Cherokee. She had a brother, Jim Bealdon who was a preacher, and he left Ala. with the Indians, and was never heard from any more. I never heard of my grandmother being enrolled or getting any money or lands from the Government on account of her Indian blood. We never applied for our rights out here, on account of the agents charging so much.

She was born in S. C. and died in Miss. My grandmother got her Indian blood from her mother, my great grandmother, whose name I do not know. I have heard that my mother's family were with the Indians back in S.C. and were dispossessed of lands and rights which they should have had. William Riggs, after being first duly sworn, deposes and says:

I am 44 years of age; was born in Arkansas.

I claim Cherokee Indian blood through my grandmother on my mother's side. My mother was born in Alabama. I have seen my mother's mother. She was born and raised in Alabama. She lived in Arkansas when I saw her. I do not know when she came to Arkansas. Neither my mother nor myself ever got any Indian money from the government. I have never gotten any land. My mother and grandmother lived in the northern part of Arkansas. They lived with the white people. I have heard of my Indian blood ever since I was a little boy. I never went before the Dawes Commission to try for an allotment. This is the first time I have ever tried to get any Indian money. My mother's father was a white man. My grandmother was not a full blood. She never got any Indian money. My grandmother died about 18 years ago.

my name is Nancy J. Christopher, and I live at Erick Okla. I am 43 years old. I claim my Cherokee Indian descent through my mother, Francis J. Rimare. My mother was ~~at~~ 72 years old at the time of her death in 1899. My mother died in Mineral Wells, Tex. She was born in Morgan County, Ala. I reckon she left Ala. when she was quite a girl, for she was not married until after she went to Miss. where my oldest sister was born. When my sister was about a year and a half old when they went to Tex. My mother never applied for lands and money in the Territory, nor did she ever get any money in 1852. I think my mother was about 1/4 Cherokee. My mother got her Indian blood through her mother, Mary Marshall nee Russell. She died in Sulphur Springs, Tex. in 1852. They all came west at the same time. I have heard mother speak about the Indians being all around her back there in ~~the~~ Ala. and I have heard sing Indian songs and such like so that they must have been Indians living close to them. Grandmother, Mary Marshall was the daughter of John Russell, who was a half breed Cherokee. I do not know whether John Russell's wife was an Indian or not. I have heard my brother-in-law, J. S. Christopher, who is now here, say that John Russell married a Cherokee Indian woman. I do not know where he died, but I know that he lived in Ala. for a time. I think it was just carelessness that none of my family were ever enrolled.

That I am 41 years of age. I claim my Indian descent through both parents. My father was 1/2 Cherokee. My mother was 1/2 Cherokee. My husband is a white man. My father was born in 1829, either in Alabama or Georgia. My mother was born in 1828. I think my mother was born in Alabama. My father claimed Indian through his mother, Mary Russell. His father was a white man. My mother claimed through her father; her mother was a white woman. Her father's name was Joe Russell. Mother's father and father's mother were brother and sister. They were both recognized citizens by the Cherokees in Alabama and Georgia. They lived there with the Indians as members of the tribe. They died there in that country, but I don't know when. Suppose they were living in 1835. They were on the 1835 roll - that is, my grandmother and grandfather. My grandmother was enrolled before she married Marshall. She was enrolled under the name of Russell. She went by the name of Marshall, but was enrolled as Russell. I don't know whether they were on the 1851 roll or not. I saw their names on the roll at Tahlequah. I was looking over the roll with Chief Harris at Tahlequah. My father lived with the Indians as a member of the tribe. When the Indians left the old states and went to the Cherokee Nation, he went to Texas. If he ever received any land or money, I never heard of it. Never heard whether my grandparents received anything or not. I did not apply to the Dawes Commission for enrollment. Never received any land or money. My father had two brothers, John and Tom Marshall. They are dead. Tom has been dead ever since before I can remember, and I don't know how long John has been dead. I have lived in the Territory for about 20 years in the Cherokee Nation and here in the Choctaw Nation. They always told me that the Dawes Commission had nothing to do with the Cherokees. I applied to the Cherokee Council but left there before they got my papers fixed up. I still have a copy of my proof. I have been married three times and married a white man each time. Jessie Dye, a sister of mine, is living at Lehigh, Okla. Don't know whether or not she has made application. Joe Russell, my grandfather, never came West. My mother had a brother named John but he never came West. He was along about the same age of my mother.

The State of Texas, }
County of Palo Pinto. } SS.

Before me, the undersigned authority on this day personally appeared Mrs. Addie Davis who resides in Mineral Wells, Texas, and being by me duly sworn deposes and says that she is the mother of the children whose names and ages are as follows:

Percy, 13 yrs old; Winnie, 10 yrs. old; Clarence, 8 yrs. old; Herman, 5 yrs. old; Marvin, 2 yrs. old;

That Albert L. Davis is her husband; that on account of the abuse of the said husband of affiant and her children she was forced to take her children and abandon said husband and move into the house belonging to affiant's father, that the said husband neglected affiant and said children and often stayed away from home without cause and failed to support and maintain them as he should and could have done thereby making it necessary for affiant to cloth herself and children by menial labor, such as washing and ironing for the public; that affiant now has the custody of said children and supporting them and herself by her own personal efforts; that the said husband has not contributed anything towards the support of said children since affiant and said children abandoned him which was on June 26, 1908. The said husband's abuse, among other things, consisted of his cursing affiant and cursing and swearing often at home in the presence of Affiant's children, which conduct and abuse rendered affiant's further living with her said husband insupportable.

Affiant further says that she is a suitable person to have the custody and care and rearing of said children and that the said husband is not.

Affiant is informed and believes that the four older children above named are entitled to a distribution of a fund from the Government of the United States and she desires to come into possession of said funds to aid her in

the support and maintenance of said children. *(Mrs Addie Davis)*

Applicant claims that his grand-father John Brown was enrolled in 1835. There is a John Brown enrolled on 1835 roll and does not think it is applicant's grand-father. The statement with regard to when a person's grand-father was enrolled is given too far east, and is unreliable. John H. Stephens being first duly sworn, deposes and says:

That I am 63 years of age and live in Cherokee Nation, Okla. I claim my Indian descent through my mother. My father's mother was a quarteroon Cherokee. I don't claim through my father, however, because I can't prove it. My mother's father was 1/2 Cherokee. His name was John Brown. William, James, Thuzana (died when a baby) were my mother's brothers. John Brown was married a second time and his children by the second wife were Nancy Brown, Elizabeth Brown (my mother) Susan Brown (married Mc Farland), Margaret Brown, died when a baby. John Brown was born about 1779 and died about 1843. John Brown's father's name was Thomas Brown and he was a full blood. I was born in Ala. on the line of Morgan and Marshall Cos. I came to Ark. when 9 years old and have lived there 52 years. My mother was born in Ga., but I don't know what part, but she moved to Lookout Valley, Tenn. and then moved to Ala. She came west when I did. My grandparents never came west; they all died in the east. My mother is still living. She never made application in this fund but she made application to the Dawes Commission. She never got any land or money from that. I never lived with the Indians ~~wixxax~~ as a member of the tribe. I suppose my mother lived with the Indians as a member of the tribe. My grandfather was killed in Morgan Co., Ala. John Brown was enrolled in 1835 at Lookout Valley, Tenn. Six members of the family were enrolled at that time. My mother gave me this information. Don't know whether they were on any other roll or not. They were never enrolled in the west. I applied to the Dawes Commission myself but never got anything. My wife is a white woman. Elizabeth, Billy, Jim John Brown was the only one enrolled in 1835 but he was enrolled as the head of a family of six. Don't know what river he was living on at that time. Don't know whether my mother was enrolled in 1851 or not. Both of John Brown's wives were white women. My mother was married about 1840 or 1842. My mother is living with me at the present time.

My Mothers father was born in the year 1779 and fought under Cole Brown in the war of 1812. at that time Cole Brown was commander of the Cherokee Indians.

I was born in Alabama in the year 1845 on the line of Morgan and Marshall Counties and moved with my Parents to the State of Arkansas.

Father died 15. Years ago and claim was never attended to until the Dawes Commission took up the matter. And that was the last we heard regarding claim until the present investigation.
